

# Internet Resources for Community Gardeners

## **American Community Gardening Association (ACGA)**

<http://www.communitygarden.org>

This site lists news, events, contact information, links, funding opportunities, membership information and publications relating to community gardening.

## **Buckeye Yard & Garden online**

<http://bygl.osu.edu>

Site provides timely information about Ohio growing conditions, pest, disease, and cultural problems, updated weekly between April and October. Site produced by the OSU Horticulture and Crop Science Department and OSU Extension.

## **City of Columbus Land Management Office**

<http://development.columbus.gov/landredevelopment/>

The site includes the list of land available to lease for \$1 for community gardens and beautification projects.

## **Garden Guides**

<http://www.gardenguides.com>

“A growing reference for gardeners...” contains information on gardening basics, growing flowers, vegetables and herbs, container gardening, and more.

## **National Gardening Association (NGA)**

<http://www.garden.org>

This site is filled with advice, articles and research relating to all types of gardening.

## **Ohioline**

<http://ohioline.osu.edu>

The home site for the OSU College of Food, Agricultural and Environmental Sciences has the direct link to OSU Extension’s Fact Sheets on different gardening issues.

## **Rebuilding Together Central Ohio – Tool Library**

<http://www.rtcentralohio.org/toollibrary.htm>.

The tool library provides access to a broad array of hand and power tools to be used for home repairs and community revitalization.

## **The ScottsMiracle-Gro Company**

<http://www.scotts.com>

The Scotts Company site includes information on how to get involved in the *Plant a Row for the Hungry* and *GRO1000* programs.

**Timber Press**

<http://www.timber-press.com>

This online horticulture bookstore has books on all aspects of gardening.

**Tree Link**

<http://www.treelink.org>

This is an online resource for urban forestry.

**Weekend Gardner**

<http://www.weekendgardener.net>

Online web magazine, updated monthly with timely tips. This site is a great reference for starting flowers, vegetables and herbs from seed.

**Urban Agriculture News**

<http://www.cityfarmer.info>

Based out of Canada, this site lists numerous information and articles on gardening in urban environments.
