

2019 Farmers' Market Wine Vendor Packet

Dear Friends,

Franklin Park Conservatory and Botanical Gardens has opened enrollment for its 2019 Farmers' Market, operating Wednesdays, June 5–September 4, 2019 (14 markets), 3:30–6:30pm. **This is the second year we are including wine producers in the mix of vendors.**

The Conservatory's Farmers' Market is located outdoors in the main Conservatory parking lot, just off of East Broad Street and two miles east of downtown Columbus. The market welcomes diverse customers including nearby residents who might otherwise lack access to fresh, locally grown produce. Market patrons have access to free parking and a major bus line.

The Farmers' Market strives to offer a merchant mix of local produce, baked goods, specialty foods/drinks, and health and beauty products. We accept EBT for all qualifying purchases and offer incentive dollars through the Produce Perks Columbus program (formerly known as Veggie SNAPS) for fresh produce for all EBT users. Additional programming and information is also offered to patrons, such as cooking and wellness demonstrations and kids' crafts. We have a variety of food trucks and wine producers (no more than two respectively per market).

To enroll, please review the attached information. Complete the application and agreement forms and submit by mail or email to the Conservatory at the address below. Once accepted, necessary forms will be sent to be completed and copies of required insurance and any necessary permits will be requested.

New vendors are welcome, so please forward this to anyone who may be interested in participating in this year's market.

Please email or call with questions. Looking forward to seeing you at this year's market!

Sincerely,

Christie Nohle
