**ALL ABOARD! PAUL BUSSE GARDEN RAILWAY RETURNS TO  
FRANKLIN PARK CONSERVATORY**

Columbus, OH – Beginning June 4, Franklin Park Conservatory and Botanical Gardens will once again feature the *Paul Busse Garden Railway*. The exhibition will be on display from June 4, 2022 through January 8, 2023.

*Paul Busse Garden Railway* features four botanical themes—Fairytale Land, Wild West Town, European Travels and the animals of Who Lives Here—placed throughout 1,122 feet of track. Nine g-scale model trains will weave through the botanical landscapes, sometimes passing overhead!

The world of trains is brought to life by Paul Busse and his team at Applied Imagination, Ltd. The team collected all-natural plant material to build over 50 botanical models to accompany the tracks, creating a unique and immersive world to explore. Special elements include an enchanted tree hollow, waterfalls and a brook. Select sections of the *Paul Busse Garden Railway* were generously donated by the Wolfe Family in memory of John F. Wolfe.

Throughout the seasons, Conservatory staff will coordinate the plantings to match the models and botanical themes. In the summer, colorful blooms will fill the gardens surrounding the railway. As fall arrives, pumpkins and gourds will be placed throughout the railway. Before the exhibition comes to a close, holiday decorations will be added during the winter months.

*Paul Busse Garden Railway* is included with general admission and special engagements (after 5pm on select evenings). The exhibition is made possible with ongoing support from The Columbus Foundation, Greater Columbus Arts Council and the Ohio Arts Council.
