## Beverage Policies

Franklin Park Conservatory holds a liquor license. All alcohol must be purchased through the Conservatory and must be served by Conservatory staff bartenders. Beverage billing is based on consumption and all beverages are subject to a 7.5% sales tax. Please note: your guests must be able to show valid ID as proof of age 21 in order to be served alcoholic beverages.

- Clear plasticware is provided with all beverage packages.

- A glassware upgrade is available through the caterer for an additional fee.

- Franklin Park Conservatory implements an environmentally friendly policy. In order to reduce waste, we do not offer straws behind the bar. Paper straws will be available upon request by a guest.

- There is a two bartender minimum for each event.

- Conservatory event staff will determine the total number of bartenders needed based on the attendance and logistics of your event. Bartenders are billed at \$35 per hour.

- Bartenders are staffed for a two-hour set-up time and a one-hour tear-down time in addition to the duration of the event.

- Please inquire regarding signature drinks or specialty orders.

## Gratuities

It is the policy of Franklin Park Conservatory to allow bartenders to accept tips. A gratuity container will be placed on the bar during an event in which a cash bar is selected. For Hosted bar events, Lessee may choose to tip each bartender. The Conservatory requests this be done at the end of the event and to each bartender individually.
