

# HAPPY ***NEW YEAR!***

A new year invites us to slow down, refocus and realign with what matters most. This winter, let the Conservatory be your place to recharge, where you are surrounded by nature, meaningful moments with loved ones, and experiences that spark curiosity.

Inside this digital magazine, you'll find a snapshot of everything happening through March, with clickable links to explore further.

SPECIAL ENGAGEMENT | 5–9PM  
**WINTER ICE  
FESTIVAL**

JANUARY 14, 16, 17, 18, 21, 22, 23, 24 & 25

**SPECIAL ENGAGEMENT RATES APPLY**

The Winter Ice Festival is back in 2026, with more special engagement nights to enjoy a stroll through the wintry grounds and have some winter fun!

Cheer on your favorite ice carver during Fire & Ice, a throwdown ice carving competition from the professional ice carvers from Rock on Ice. Each night at 7pm the carvers will face a 45-minute countdown clock and each other in a friendly competition for bragging rights. Guests in attendance will help us determine the nightly winner. Come early and watch them warm up and stay after to engage with the artists.

Enjoy ice skating on the synthetic ice rink from 5–9pm nightly. Skates will be available to borrow or bring your own. Skating and skate rental is complimentary with admission.

When you are ready to warm up, head inside to take a leisurely stroll through the warm tropical biomes and take in the breathtaking Chihuly glass sculptures at night. Activities in the Grand Atrium will keep the kids entertained with a winter craft, family games and puzzles.

Please note: During the run of the Winter Ice Festival, the Conservatory's daytime experience will close at 4pm to prepare for the evening events. The Conservatory will re-open at 5pm. Thursday, January 15 will be a Cocktails at the Conservatory event, and will be a 21+ night, no exceptions.

**RESERVE TICKETS**

**MEMBERSHIP**

Members will make the most out of the new year thanks to free General Admission, half-off Special Engagement admission, exclusive events, garden center perks, reciprocal admission and more!

Most memberships pay for themselves in only 2–3 visits.

# ORCHIDS

JANUARY 24–MARCH 15, 2026

*Orchids* returns in grand style, taking over the North Conservatory with more than 2,600 stunning orchids. Explore vibrant displays woven among the plant collections, where orchids take center stage amidst bromeliads, cyclamen, and vivid foliage. Discover floral topiaries inspired by animals native to our Rainforest, Himalayan, and Desert biomes, along with suspended spheres, cascading arrangements, and a spiraling column of blooms—all celebrating the beauty and diversity of orchids.

## A BEAUTIFUL JOURNEY

WORKS BY LANCE JOHNSON

JANUARY 17–APRIL 12, 2026

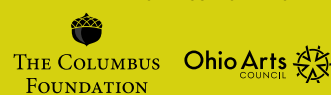

The Cardinal Health Gallery will showcase the work of artist Lance Johnson in his exhibition titled *A Beautiful Journey*. Using a combination of mediums such as collage, graffiti, stencils, texture, and found materials, Lance recreates the feeling of walking through a neighborhood where every wall tells a story.

The exhibition is both a celebration and a reflection of his evolution as an artist. Lance Johnson is a multi-disciplinary visual artist and muralist based in Columbus, known for his bold, expressive use of color, collage, and layered text to tell stories rooted in identity, culture, and community.

# BLOOMS & BUTTERFLIES

FEBRUARY 21—JULY 5, 2026

Experience Blooms & Butterflies in the Pacific Island Water Garden, where hundreds of exotic butterflies glide through bright nectar flowers. As you wander the garden, you'll see butterflies feeding, resting, and gliding through the air in an ever-changing display of color and movement. Don't miss the Metamorphosis Lab, where you can watch butterflies take their very first flight as they emerge from their chrysalises throughout the day.

## **MATH IN BLOOM**

A THREE PART CELEBRATION OF NATURE

Mathematics meets nature in unexpected and delightful ways. *Math in Bloom* invites visitors of all ages to discover the hidden mathematical patterns in nature, from Pi to the Golden Ratio.

Made possible through generous support from the Simons Foundation and in collaboration with the San Antonio Botanical Garden, these special days feature educational classes, free activities, and a lot of fun.

While many activities are designed with adults in mind, families will find engaging experiences that bring math to life through the beauty of art and nature.
