**NEW INTERACTIVE PLAY AND LEARNING SPACE FOR CHILDREN RETURNS  
FEBRUARY 14, 2026**

COLUMBUS, OH – Opening on Saturday, February 14, 2026, a space for children to play & learn returns to Franklin Park Conservatory and Botanical Gardens. Our previous play area in the lower concourse is currently closed due to nearby construction. To ensure a quieter, more comfortable experience, children’s play has been moved to a more accessible space designed to better serve our youngest visitors.

Kids’ Corner is a playful, interactive space for children ages 2–8 to explore nature themes through movement, imagination, and free play.

Featuring an interactive floor projection by Active Floor with Conservatory-inspired games, whimsical woodland mural, climb-and-play elements, and sensory-friendly features, this space encourages creativity, problem-solving, and social connection.

Designed for family play and accessible for kids of all abilities, Kids’ Corner invites our youngest visitors to discover, move, and learn together.

This space is included in General Admission and during Special Engagements.
